| 72251 | Winch Mounting Block and Hardware | 7 05105 72251 2 | 2.5 lb |

Step n Tow is a versatile tool for pick-up trucks and SUV's. The Step n Tow allows easy access to the pick-up bed or roof rack. Besides convenience, safety is a great added feature for everyone in the family or work place.

Step n Tow becomes a versatile winch mounting platform with the addition of the winch mounting block (p/n72251). This system will satisfy any standard two bolt mounting pattern with winches up to 3000 lb capacity. Simply place the Step n Tow in the 2" receiver and your ready to pull.

Winch and winch Mount not included
